**VINUM CALIFORNIA  
CHENIN BLANC / VIOGNIER**

This unique blend really jumps out of the glass with pure tropical fruit including guava, passion fruit and mango with a hint of clove. On the palate it has great acidity with a juicy mixture of Fuji apple, pineapple, honey, jasmine and star anise which then fold into citrus. It's a fine choice with goat cheese dishes and salads, and an overall refreshing warm weather sipper too.
