GREAT VALUE!

VINUM CELLARS
CALIFORNIA
PETITE SIRAH

2008

Generous with ripe fruit, this is a rich, pomegranate scented monster of a wine which packs a punch yet finishes soft, with concentrated plum, blueberry and supple tannins.

The finish is generous and fires on all cylinders, fruit, color, concentration and silky oak tannins at the end. It pairs well with most everything, try it with smoked duck, lamb and various sausages as well as classic cassoulet.
